Raleigh, N. C., Sept. 8.—There was a warm time before Justice Montgomery yesterday morning when the habeas corpus case of convict McMahon came up for a hearing. One of the plans which were submitted recently was adopted, with some changes. As soon as the plan is redrawn in conformity with the changes made by the committee, the contract for the cottage will be awarded. It will cost about \$3,000.

A CABINET MEETING.
LOCAL GOVERNMENT IN THE PHILIPPINES.
(By Telegraph to Virginian-Pilot.)
Washington, Sept. 8.—The cabinet meeting to-day was devoted almost entirely to a discussion of the local governments, which will be established in the Philippines on the cessation of hostilities. Secretary Root has given the matter much thought, and his views as expressed at the meeting to-day were received with approval by all of the members present. He pointed out that a system of government which would be suited to the people of Luzon would hardly do for some of the other islands, where the inhabitants were far less advanced. A member of the cabinet, in speaking of the matter, said that Secretary Root displayed a broad statesmanship and a knowledge of the social and economic conditions of the islands.

Situation in Venezuela.

(By Telegraph to Virginian-Pilot.)
Washington, Sept. 8.—The State Department has been informed, through the same source as conveyed the original information of impending revolution in Venezuela, that the situation has become more favorable for the government of Venezuela.

Information reaching officials here is to the effect that while no actual outbreak has occurred, yet a latent agitation is going on, which at any time may assume serious proportions. This accords with Señor Pulido's advice that no actual outbreak has occurred at La Guayra.
